

Zvonimir Kvesić, dance teacher

Zaštita nerođenih mu je od malena na srcu, pa se inicijativi 40 dana za život pridružuje od samih početaka u Hrvatskoj.

Prvo kao molitelj, a ubrzo i kao volonter pomažući u organizaciji. Trenutno je koordinator programa za supružnike željne djece - Vikendi Srca Marijina – trodnevnog duhovnog susreta u Sveticama kod Karlovca, koje udruga Hrvatska za Život

organizira u suradnji s pater Markom Glogovićem.

Živi u Zagrebu i bavi se suvremenim plesom, kao izvođač i nastavnik.

The protection of the unborn has been very close to his heart since childhood so he joined "40 Days for Life" in Croatia at its very beginning. First he served as a praying volunteer, but very soon also as a member of the organisational team. At the moment he is a co-ordinator of the programme *Weekends of the Heart of Mary*, a three-day spiritual retreat for childless married couples wanting children in Svetice near Karlovac, which has been organised by the Association "Croatia for Life" in co-operation with Father Marko Glogović.

He lives in Zagreb and is engaged in contemporary dances as a performer and as an dance teacher.
